Strains of Hours of
Cross-Examination

PROSECUTOR ANNOYED

BY NOLAND NORGARD

Nuernberg, Mar. 20.—(P)—Herman Goering told the international military tribunal today that he had signed numerous anti-Jewish decrees as president of the Reichstag and "I assume full responsibility" for them.

In the witness box for the sixth day in his own defense, the former Reichsmarshal declared that both Joseph Goebbels and Heinrich Himmler were more radical than himself on the Jewish question.

He said defendant Julius Streicher was violently anti-Jewish, but dismissed him as "not a member of the government and although he was gaudier he had no influence on the government."

Both Goering and Justice Robert H. Jackson, chief U. S. prosecutor, showed the strain of hours of cross-examination and there were frequent clashes between the two.

Lord Justice Geoffrey Lawrence, presiding member of the tribunal, overruled Jackson's effort to compel Goering to stop making what the prosecutor termed "propaganda" remarks from the witness stand. Jackson contended Goering was being permitted to "take control of proceedings."

Jackson's annoyance expressed itself again when Goering testified that he had ordered security police to withhold action against the participants in a program in November, 1939, because "I myself wanted to take the necessary action."

"You know that's not the truth," Jackson declared. "I put it to you squarely."

Goering replied again that he took his protests against these anti-Jewish excesses directly to Hitler and therefore did not want underlings to take action.

The hearing progressed slowly as Goering repeatedly challenged the accuracy of translations of various prosecution documents.

Under steady questioning, Goering conceded the authenticity of documents showing that Nazi party courts were given precedence over penal courts in trying Nazis for anti-Jewish excesses; that party courts were instructed to prevent publicity of the fact that Nazis were instructed to start such disorders and that only minor punishments were imposed for slaying Jews.

Gassing of Two
Million Is Admitted

By TOM REEDY

Berlin, March 20.—(P)—The gassing of 2,000,000 Jews and other persons at the Auschwitz horror camp has been admitted in a signed statement given to British authorities by Rudolf Hoess, 46-year-old commandant of the camp, who was arrested on March 8.

Hoess, who was found hiding out on a farm near Flensburg, signed the confession on March 16, British officials declared. The signed Hoess statement said: "I personally arranged, on orders received from Himmler in May, 1941, the gassing of 2,000,000 persons between June and July, 1941, and the end of 1943, during which I was commandant at Auschwitz."

After he left Auschwitz, Hoess said, he relayed Himmler's orders for the gassing of an additional 1,000,000 persons. British investigators said evidence showed that a more accurate estimate of the figure would be 2,000,000—ranging to some 4,000,000 the number of persons for whose deaths Hoess might be held responsible.

Dynamite-Laden Proposal Of
Wallace Startles Washington

Washington, March 20.—(P)—Henry A. Wallace started Capitol Hill speculating today whether he intends to spearhead a drive to force the major political parties to take a firm stand on top economic and international issues.

He also failed to make the Democratic leadership especially happy by his dynamite-laden proposal that the party banish recalcitrant members who refuse to follow the line on major items of the administration's program.

The fact that this is an election year made the suggestion unpalatable to party chiefs trying to woo Democratic legislators who have strayed from the administration's reservation in recent weeks. Senator Hatch (D-NM) summed up one portion of Capitol Hill reaction to the proposal of the secretary of commerce that both parties

Bumper Crop of Wild
Garlic With Blossoms

Washington, March 20.—(P)—People coming to Washington to see this season's famed cherry and magnolia blossoms should prepare their aesthetic sense for a possible shock.

The shock won't be in the sight, for the blossoms with their delicate pinks and whites, will be beautiful.

But the odor may be pretty terrific if the capitol gardeners' worst dreams come true.

The reason, a bumper crop of wild garlic. More prolific than in years, the garlic grows in lawns surrounding some of the trees. Its sprouts have sprung up everywhere, like goats' beards waving in the breeze. And it's odiferous too, just like goats—and wild garlic.

Plane Crashes
In West Take
Lives of 33

San Francisco, March 20.—(P)—Crashes of two big army planes in northern California mountains yesterday apparently took a death toll of 33 army and navy men, whose bodies ground crews labored in difficult terrain today to recover.

Twenty-three bodies, some of them buried several feet in snow, had been found early today at the scene of a C-47 crash in the Sierra Nevada, a mile from the ghost town of Hobart Mills and seven miles from Truckee, Calif. Three others listed on the flight from Stockton, Calif., bound for Ogden, Utah, were believed in the yet inaccessible flight control compartment of the wreckage.

The list of dead announced by the army included two Pennsylvanians and one New Jersey resident.

Cpl. William T. Woodhouse, Yardley, Pa.; S 1/c Gerald P. Udell, Philadelphia, and QM 3/c Robert A. McGee, Mantua, N. J.

A ground squad pushed toward the wreckage of a B-29 which crashed with seven crewmen into the top of a 3,820-foot peak near Livermore, 30 miles southeast of San Francisco. The bomber came from Hickam Field, Honolulu. Its radio reported engine trouble several hours before the plane plummeted to earth 10 feet from the top of the peak.

Witnesses said they saw the C-47 explode in air, and Captain Harold Simer, commanding the Reno, Nev., army air base, said the wreckage indicated a wing, which had not been found was blown off before the crash.

Army workers and volunteers who reached the C-47 wreckage by snowmobile toiled through the night by campfire and flashlight in continuing snow to recover the frozen bodies, some of which were severely mangled.

Workers marked holes from which bodies were dug from the snow, and an army board of investigation headed toward the scene from Truckee this morning.

New Ambassador
to Moscow Quizzed

Washington, March 20.—(P)—Russo-American relations came in for senate attention today, with indications that members' views on the life of the draft may be affected.

The foreign relations committee called Lt. Gen. Walter Bedell Smith to Capitol Hill to "size up"—as one member put it privately—as the president's choice for ambassador to Moscow and the international situation as the appointee knows it.

Senator Pepper (D-Fla.) promised meanwhile to provide some additional light on the subject of this country's dealings with the Soviet in a senate speech he has prepared.

And there were strong indications that the military committee plans to take international conditions into account before it acts on an extension of Selective Service's May 15 expiration date. Several senators are members of both the foreign relations and the military groups.

Ties expel members who desert on
big issues.

"My impression is that Secretary Wallace was trying to point out the essential differences and hoping for a realignment of political parties in this country," Hatch told a reporter.

At the same time, Senator McKellar (D-Tenn) voiced speculation that the background might be connected with possible ambitions of one of Wallace's closest political friends, Stabilization Director Chester Bowles.

Wallace, who recently described Bowles as "the most dramatic figure in Washington," came in for some verbal pasting in the senate yesterday for his assertion that Democrats and Republicans who don't follow party lines on such things as the British loan and full employment ought to join the opposition or form an independent political group.

ROW DELAYS
REOPENING OF
G. M. PLANTS

Hopes for Speedy Resumption
of Output of Cars in
Detroit Snagged Over
Local Grievances

STRIKE CONTINUING

Detroit, Mar. 20.—(P)—General Motors Corp. announced today that it is recalling a limited number of employees "as rapidly as possible" to ready its idle plants for production.

"Where it is agreeable to union shop committees, construction workers, maintenance men and others necessary to ready the plants for production will be recalled as rapidly as possible," a spokesman said.

The recall orders will affect all plants, he added, if the CIO United Auto Workers will permit entry of maintenance men to units still strikebound.

However, immediate resumption of normal production on the huge auto assembly lines were snaggled by a new company-union row over local grievances.

GM, its production facilities idled for the 120th day, stood pat on an assertion it would not reopen any one of its 96 struck plants until the CIO United Auto Workers agreed to open them all.

The UAW, which late Tuesday notified the company that its members had approved the national phases of the strike settlement, was quick to condemn GM's stand.

"The officers of the UAW-CIO... had a clear understanding with the corporation that the strike settlement covered only national issues and that up ratification of the national strike agreement, certain locals might remain on strike because their plant managements had failed to settle local issues satisfactorily," declared the union.

GM told the UAW, "until we receive notification that the strike is ended in all our plants, we will have to assume that the strike continues and that resumption of production will be delayed until that time."

Harry W. Anderson, GM vice president, declared "you are aware that our manufacturing is so geared that we cannot start production in a part of our plants with others still on strike."

"In keeping with the agreement which we entered with your union officers, your telegram should officially end the strike in all GM plants."

Walter P. Reuther, UAW vice president and head of its GM division, conceded that "it may be true that certain units cannot resume production until other related units have resumed," but added, "it is a fact that many of the corporation's plants can begin operating independently of any other unit."

"There is no justification for failure to resume production without further delay in such units," Reuther asserted.

UAW spokesmen declared that 154,000 strikers—almost 90 percent of the total of 175,000—had voted to accept the 18½ cent hourly wage rate increase and other national provisions of the strike settlement offered by GM.

They said workers in at least 21 plants had voted to remain away from work until their local grievances were also settled satisfactorily.

Trades Union
Leader Heads
Soviet Union

By EDDIE GILMORE

Moscow, March 20.—(P)—Nikolai Mikhailovich Shvernik, 58, a leader in the Trades Union movement in Russia, became the chairman today of the presidium of the Supreme Soviet, a post generally referred to as president of the Soviet Union.

He succeeds Mikhail Ivanovich Kalinin, known to millions of peasants as "the grand old man of the Soviet Union," who resigned because of failing eyesight. Kalinin, 71, had held the office for 27 years. He remains a member of the presidium.

The Supreme Soviet, before adjourning its first post-war session last night, also re-elected Generalissimo Joseph Stalin chairman of Russia's council of ministers (premier). The vote was unanimous. Stalin also retains his title of generalissimo and remains head of the Soviet Union's armed forces and secretary general of the central committee of the Communist party.

(The Moscow radio, heard in London, said Stalin henceforth would be called "prime minister.") Stalin first was elected chairman of the council of ministers—then known as commissars in May, 1941. He succeeded Vyacheslav M. Molotov, who has been re-elected vice chairman of the council and continues as foreign commissar.

He was known in the future as minister of foreign affairs. Shvernik, the son of a janitor, has been first vice chairman of the presidium since Feb. 1, 1944.

LEWIS EXERTS
PRESSURE FOR
HEALTH FUND

Issues of Wage and Hours
Put Aside Temporarily As
Union and Operators
Assemble

PLAN IS UNDISCLOSED

Washington, Mar. 20.—(P)—John L. Lewis exerted undiminished pressure today for a miners' health and welfare fund as part of the price of a new contract that will avert an April 1 soft coal strike.

The issues of wages and hours were put aside temporarily as union and industry representatives assembled for their second day of closed-door negotiations. Neither side indicated yet what basis of agreement it might have in mind.

However, an operators' spokesman made it clear that the first bargaining session yesterday, following a week of public "town hall" debate, did not stress Lewis' general demand for higher wages and shorter hours for his United Mine Workers.

Rather, the 14-man negotiating committee went into details of the UMW proposal for establishment of a special fund for improving the medical and hospitalization care of the 400,000 soft-coal miners but reached no decisions.

Lewis will terminate his present contract with the mine operators as of midnight March 31, and he told them yesterday that "peace" or "war" depended on whether they met his demands for the health and welfare fund.

At the same time, he emphasized that he would negotiate with you from here out.

Throughout the public discussions which ended at noon yesterday, Lewis did not emphasize the UMW bid for higher wages. He did, however, hammer steadily on his demand that the industry improve mine working conditions, medical aid and hospital facilities.

Whether this approach would change in the bargaining sessions, and wages become a top issue, remained doubtful. At no time this year has Lewis given any indication how the health and welfare fund should be raised. Last year, he proposed a 10 cents a ton royalty on coal production for this purpose.

The UMW chief proposed that the new contract contain a clause requiring the coal operators to "meticulously carry out" all safety recommendations by the U. S. Bureau of Mines, regardless of cost.

"Will you do it?" he demanded. "Will you think it over?" Will you chain your dogs while we talk about it? I mean the National Coal Association. I mean your press agents. I mean your mimeograph machines. I mean your propaganda statements."

Lewis attitude this week toward the operators has taken on a distinctly more belligerent appearance than was evident when the bituminous conference began on March 12. Then, in presenting nine generalized demands for the UMW, he sounded almost conciliatory in tone.

BATTLESHIP PENN'A
HAS BOND RENDEZVOUS

Bremerton, Wash., March 20.—

The battleship Pennsylvania, veteran of many a battle, sails Sunday for a rendezvous with the atom bomb but her skipper's ready to "offer a 50-50 bet" he'll take her from Bikini back to her berth at the Philadelphia navy yard.

"Nobody can say flatly whether the atom bomb will sink a battleship," said Capt. Carl H. Bushnell. "I've talked to scientists working on 'operations crossroad' and it's my opinion the Pennsylvania may come through."

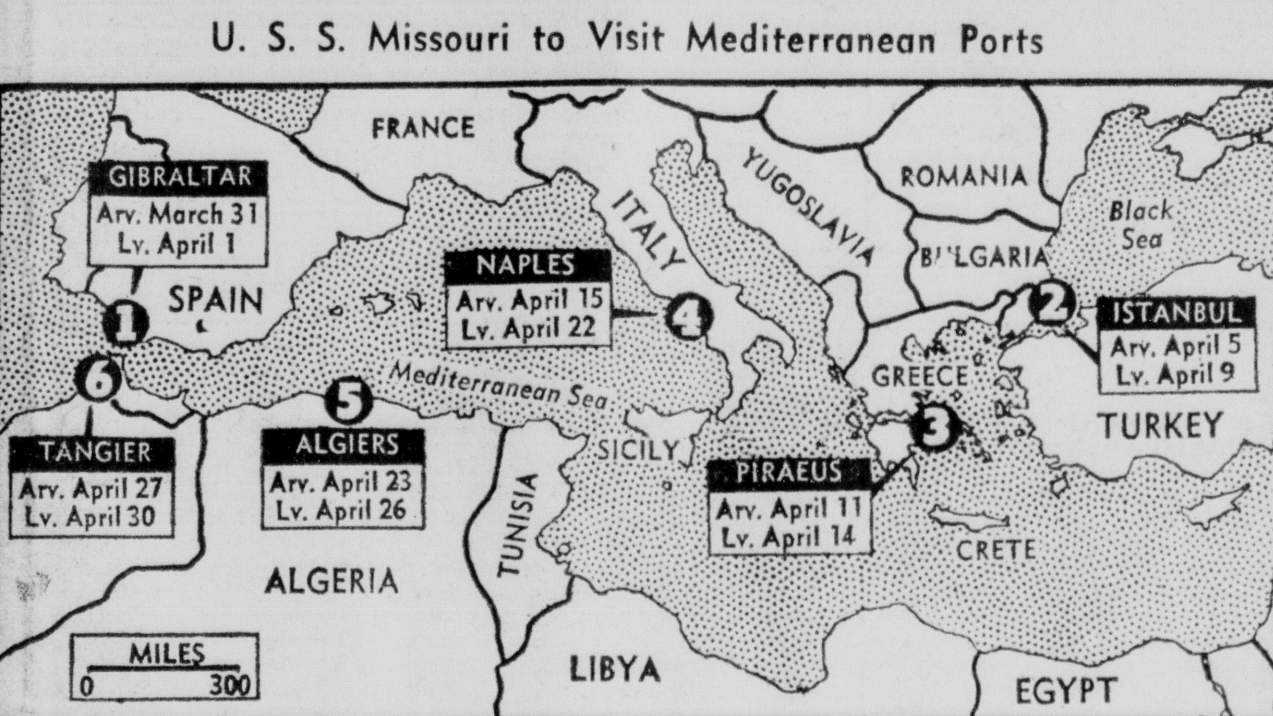

The battleship's crew will be setting off on a transport at safe distance for the test, and Bushnell said he was among those inspecting the test fleet for damage after the bombing.

\$25,000 IN JEWELS
STOLEN IN FLORIDA

Miami Beach, Fla., March 20.—(P)—A chamois bag containing more than \$25,000 worth of jewelry from the winter home of Mrs. George C. Moore, wealthy widow from Pittsburgh, she reported to police late last night.

Police Chief George Simpson and detectives, who found a screen lifted from a window, said Mrs. Moore was absent from the spacious residence and her 64-year-old maid was alone and asleep when the prowler slipped in during the late afternoon or evening.

Mrs. Moore did not miss the jewelry until late Tuesday night and Simpson said she could not be questioned on account of a heart condition.

On the way home, the ships will visit five other Mediterranean ports, in the order and on the dates shown above.

Dismissal of Engineer and
Subordinates By Shroyer Is
Sent To Martin for Action

Harrisburg, March 20.—(P)—John U. Shroyer, state highways secretary and independent candidate for the Republican nomination for governor, said today he dismissed Bernard Harding, Scranton district engineer, and sent the papers to Governor Martin for approval.

Shroyer, who is opposing Attorney General James H. Duff for the GOP nomination, after Governor Martin and other Republican leaders endorsed Duff, said he has also dismissed Miss Hannah Morgan, Harding's secretary, and Ben J. Guzzi, Harding's chauffeur.

Reached en route to his office after speaking last night in Beaver Falls, Shroyer withheld comment on the reasons for the three dismissals. Harding receives \$5,250 annually.

Earlier, the governor's office said it had received reports of the personnel changes but the "governor has not approved the dismissal of Bernard Harding or anyone else in the Scranton office."

Shroyer's dismissal action stirred renewed speculation at the capital as to his status as a member of Governor Martin's cabinet and as a candidate in opposition to another member of it. Martin, who is running for the U. S. senate on the organization-backed slate has told reporters he has not asked for Shroyer's resignation but withheld comment as to possible future action.

All personnel changes, his office explained, must receive the governor's approval before they become effective.

His office also asserted that so far no papers on the changes have reached the governor.

When the papers reach Governor Martin's office, a spokesman said "if there is good cause for the dismissal, they will be dismissed. If there is not good cause they certainly will not be approved, if they are for political reasons."

In Scranton, Harding disclosed he has received the dismissal notice but was told by Governor Martin to ignore the notice. The governor's office, however, said it has not been indirect touch with Harding since so far, it has no official word of the changes.

Shroyer said he expected to return to his office later in the day. The highways department personnel office referred inquiries about Harding's dismissal to John L. Herber, chief engineer. The latter said "I have no comment."

Three Are Dead as
Result of Quarrel

Elizabeth, N. J., March 20.—

Three persons died last night because a 35-year-old electrician, employed at the Rahway refinery of the Standard Oil Company of New Jersey, became enraged, police said, when a stepdaughter hung a party dress in a living-room doorway he wanted to paint.

Detectives William J. Connelly and George Marzani said Joseph Shellbrick sent a bullet through his heart after fatally wounding his wife, Mary Mullin Shellbrick, 36, and her daughter by a previous marriage, Mary Lou Mullin, 19.

Both died in Elizabeth General Hospital soon after the shooting. Another daughter, Betty Mullin, 18, was in a fair condition at the same hospital early today.

Shellbrick's body was found in the doorway of his garage in the rear of his home with a bullet through his head and another through his heart. A .38 calibre revolver was found near the body.

Philadelphia, March 20.—(P)—Charles W. Pollard, 85, father of motion picture star George Bancroft, died yesterday at his home after a short illness.

Six-Year-Old Wins
Divorce For His Dad

Camden, N. J., March 20.—(P)—Charles H. Markheim, an ex-army lieutenant, wants a divorce from his wife. Here's why, he testified in chancery court:

"A year ago, while on leave, his six-year-old son said: 'Buy me an ice cream cone, daddy. Uncle Jim always does.'"

"Uncle Jim," Markheim's son explained, is "the man who kissed mama on the sofa."

Advisory Master William R. J. Burton recommended a divorce.

Three Nazi
Agents Slain
By Blue Beard

By MEL MOST

Paris, March 20.—(P)—Prosecutor Pierre Dupin dropped a surprise in the multiple murder trial of Dr. Marcel Petiot today when he conceded that at least three of the 27 slayings charges against Petiot were of gestapo agents.

The prosecutor's statement came after Petiot had described the "executions" of the three, allegedly by other members of his "resistance group."

The third day of the trial found the defendant involved in an effort to prove that the Jews among the persons he is accused of killing were gestapo decoys executed by his mysterious "Fly-Tox group."

The argumentative doctor had reached this point last night as the court took up the individual cases of 15 Jews whom the prosecution avers paid Petiot money on the promise they would be smuggled from Nazi-occupied France.

The defendant reiterated his opening day declaration that they were "Jews who were traitors" from his viewpoint as an alleged member of a resistance group. He denied killing any of the persons named.

GEN. WEDEMEYER TO
FLY TO CHUNGKING

Seoul, Mar. 20.—(P)—Lt. Gen.

Albert C. Wedemeyer will fly to Chungking tomorrow, according to a surprise request from Generalissimo Chiang Kai-Shek for a conference.

Wedemeyer, American occupation commander in China, did not disclose the reason for Chiang's summons.

He conferred with army officers here today about repatriation of Koreans in China. He had planned to fly to Tokyo tomorrow.

By the Associated Press

Drastic slaughter reductions and the threat of a critical meat shortage in this country were reported today by meat packers and retailers, who blamed the situation on OPA price ceilings and the growing black market.

"We are facing a meat shortage as such as we've never seen before," Joseph W. Stevens, field secretary of the Individual Retail Grocers and Meat Dealers Association, said in St. Louis yesterday.

Packing companies claim they are unable to slaughter cattle at a profit under the OPA ceilings and that they cannot compete in buying cattle with black market buyers. One company official said in Chicago yesterday that black market buyers were able to make an average profit of \$50 a head.

TWO SPECIFIC CHARGES

Washington, Mar. 20.—(P)—Russia today was reported continuing her troop maneuvers in Iran despite that government's appeal to the United Nations Security Council for help in getting Soviet forces out of the country.

Late reports reaching officials here described the tense Middle Eastern situation as unchanged with main attention for future developments still directed toward the Kurdish areas or Iran, Turkey and Iraq.

Informants said that Iran's appeal to the council, charging the presence of Red army troops in violation of a Soviet-Iranian-British treaty and interference by Soviet agents in Iranian affairs, had had absolutely no effect so far as could be told here on conditions inside Iran.

The formal charges appeared certain to gain council attention. American officials predicted that this country will support fully the troubled nation's appeal to the council for prompt action. And indications are that of the 11 council members, Iran will get an easy majority for putting its case on the agenda for early consideration in the sessions scheduled to open in New York next Monday.

Officials do not discount the possibility that Russia may object. However, since only a majority is required and since Russia normally can count only on Polish support to back up any opposition, the required seven votes for consideration seem assured.

The Iranian complaint was made public here yesterday by UNO General Secretary Trygve Lie. Field by Iranian Ambassador Hussein Ala, who has been designated by his government to plead the case before the Security Council, it made these two specific charges:

1. That Red army troops are remaining in Iranian territory beyond the March 2 deadline fixed under an Anglo-Soviet-Iranian treaty of January, 1942. This treaty specified that all foreign troops should be withdrawn from the country six months after the end of the war.

More Wheat From
Russia UNRRA Aim

Atlantic City, N. J., March 20.—(P)—Assistant Secretary of State Will Clayton expressed hope that Russia would grant an UNRRA request for help with wheat shipments "and thus align itself with the United States and other supplying countries."

In an address before delegates from 47 nations, he disclosed that UNRRA "sometime ago" had asked the Soviet whether Russia could supply any wheat to meet the heavy demands of hungry countries.

He told the delegates that the United States was happy at the request of France, to provide the necessary shipping to carry the grain from Russia to France "even at the sacrifice of other cargoes for the return trip for which the vessels had been originally scheduled."

A stern admonition for worldwide belt-tightening with universal rationing and stringent safeguards against wastage of food, confronted delegates to UNRRA's 47-member council today as they searched for ways of warding off mass starvation.

OPA and Black Market Are
Blamed For Meat Shortage

Kansas City packing plants have dropped from 180 to 18 an hour, with 1,000 employees laid off. Slaughter rates down as much as 75 per cent were reported in St. Louis, Omaha, Sioux City, Des Moines, Tulsa, Louisville, Los Angeles, Indianapolis, San Antonio, Wichita, Topeka and Oklahoma City. Some smaller plants in the midwest have closed down completely.

Thomas E. Wilson, chairman of Wilson & Co., told the company's stockholders in Chicago yesterday that the growing black market was "getting away from the OPA."

James F. Riley, Chicago OPA office director, has announced an immediate investigation of eastern order buying which he said had taken from 60 to 65 per cent of midwestern beef and would cause shortages in the west, midwest and south.

Flood Control Dam On the Clarion River Is Surveyed

Surveyors have been busy for some time passed on the proposed site for the new flood control dam to be built on the Clarion river and contracts for the drilling of test holes for foundations have been let. Harry C. Timney, Grafton, West Va., was low bidder as he bid \$4,728. This was under the government engineers estimate.

The dam will be located on the East Branch Dam Site on the upper Clarion river. It is expected to be erected at Glen Hazel and the lake formed back of the 100 foot earth dam will back the water up as far as Instantier. It will form the nucleus of a fine summer resort and will afford the residents of that section fine canoe sites and boating.

The upper Clarion has been developed during the past few years as a fisherman's paradise and

heavily stocked with trout. The project is being mapped by the U. S. Engineers' office at Pittsburgh with George Murray, Jr., in charge of the crew of men at work. The dam will be of the type erected at Tionesta and it will be about 1500 feet in length.

Flood control projects are receiving much attention at present as the Senate has just passed a bill carrying over \$360,000,000 which will all be spent on rivers with the exception of \$19,000,000 for the Panama canal. The Conemaugh project is moving along in good shape with plans complete and funds available for the relocation of the Pennsylvania railroad in Armstrong and Westmoreland counties. This project will control the waters of the Conemaugh and Kinzua rivers about five feet at floodstage. It is one of the vital parts of the big flood control projects for the Ohio and its tributaries of which the Allegheny is the most important furnishing four-fifths of the water forming the Ohio at Pittsburgh. The bill also carries several thousands of dollars for preliminary work on the Kinzua dam which is also one of the vital parts of the whole scheme.

In the bill which increased the House appropriation by \$74,000,000 there are many Pennsylvania projects which are aimed at saving hundreds of millions of dollars over a period of years in property damage from floods.

The flood control projects for Pennsylvania carried in the bill are as follows with the amounts provided for each:

Sunbury, Pa., \$900,000; Williamsport, Pa., \$1,300,000; Youghiogheny River Reservoir, Pa., \$619,200; Conemaugh River Reservoir, Pa., \$2,500,000; Punksutawney, Pa., \$556,000; and East Branch, Clarion River Reservoir, Pa., \$500,000.

In addition to money for the construction projects, the appropriation includes funds for advance planning of scores of new projects by the army engineers.

Among these and the appropriation for each are:

Flood control—Swoyville and Forty Fort, Pa., \$50,000; Shenango Reservoir, Pa., and Osio, \$100,000; Eagle Creek Reservoir, Ohio, \$90,000; Allegheny River Reservoir, at Kinzua, \$155,000; Turtle Creek Reservoir, Pa., \$41,000; Ridgway, Johnstown, Brockway and vicinity, Pa., \$120,000; Latrobe, Pa., \$20,000.

Will Discuss Recreational Plans Tonight

Officers of the Warren Sport Boosters Association and the Community Council PTA will meet in the Warren YWCA, at 8:30 this evening, for the purpose of discussing recreational plans for Warren.

Both groups are interested in providing recreational facilities, and the PTA has been offered the Valvoline property by Albert Ristau for this purpose. It is possible that a coordinated effort may result from this evening's discussion.

The Boosters have a committee appointed to consider war memorial possibilities, and the PTA is interested in seeing a war memorial erected on the Valvoline property. The PTA has been interested in continuing the plans originally considered by the borough council and the Warren Chamber of Commerce committee.

However, the PTA according to a member of the committee, wishes to abide by the decision of the public in regards to a memorial. Its primary objective at the present time is to preserve the large piece of property on Lexington avenue for the community. The land is a thousand feet long, and five hundred and fifty feet deep at its narrow end, and can house many of Warren's recreational needs, if a long-range program can be planned.

The Boosters are interested sport facilities, and their organization should play a major part in the development of such a piece of property. It is also quite possible that the popular choice for a war memorial will be an athletic field, and the Boosters would be vitally interested in backing such a project, according to a statement made at their last meeting.

"Spring Comes On Forever"

By MULLEN DRUG CO.

No season of the year is so eagerly anticipated as the lovely spring months when the earth seems made over for our especial benefit.

Certain dangers lurk, however, in the approach of milder weather. We throw off heavy coats and furs, change our ways of living, often expose ourselves to colds, and these can lead to more serious pulmonary troubles.

Check with the doctor just in case you need a tonic, need vitamins, or perhaps a rest for health protection.

Secure all your medical needs from a trusted druggist.

Sugar Grove Kidnap Case Has Blown Up

The sensational kidnaping case in which Mr. and Mrs. Robert Morley, of Sugar Grove, had been charged with kidnaping Mrs. Morley's daughter by a previous marriage, while the child was living with its grandparents in Jamestown, "blew up" in Chautauqua county court at Mayville late yesterday afternoon. The matter ended with a suspended sentence on a minor charge for Mr. and Mrs. Morley, who returned to their Sugar Grove home last evening.

A few days ago the previous husband of Mrs. Morley figured in an assault case in which Mr. Morley was the victim, after having attempted to induce one of his other children to enter his car. That case is said to be still pending in Warren county.

Yesterday when Mr. and Mrs. Morley were called up for trial on the kidnaping indictment which was returned last December, the case was opened in the afternoon. Difficulty was experienced in getting a jury and the panel was exhausted before a sufficient number had been obtained to hear the evidence. The court ordered the sheriff to bring in more talesmen for examination but before they could be produced the assistant district attorney handling the prosecution made a motion for a reduction in the nature of the charge against the Sugar Grove couple. He asked that the kidnaping charge be dropped and that they be charged merely under section 899 of the New York code which covers disorderly conduct. The court immediately granted the motion and then announced that any sentencing on the minor charge was suspended, thus ending the entire matter so far as any charges against the Morleys is concerned.

Congress authorized establishment of a separate Army engineer corps in March, 1902.

STATE COLLEGE

With hundreds of students unable to secure entrance into State College and with scores living in trailers about the college campus, a picture is created that should rather put old Pennsylvania to shame. At all times State College has more applications for enrollment than can be taken care of. The splendid work done by the college has been recognized and its graduates are in demand. That speaks well for President Ralph D. Hetzel and his faculty.

However, the state legislature has failed in its provision for the college. In the land grant colleges of contiguous states the appropriations from the state are many times greater than those for State College. Pennsylvania has been niggardly in its provision for the college. Gov. George Earle erected several buildings at the college during his term of office, excellent structures that stand as a monument to the Earle administration. With plenty of money at hand, it is high time that a building program was inaugurated at State College that would care for years to come of the needs for dormitories, laboratories, etc.

There is a need existing that should be taken care of at the same time the mental and other hospitals of the state get attention. The task is a great one and the state during the war years has done little or nothing to relieve the need.

The legislator who provides for State College in a generous way with at least \$10,000,000 for new buildings, badly needed, will have his name called blessed by generations of Pennsylvanians.

INTERESTING POINT RAISED

The Houghton Line, famed organ of the well known Philadelphia oil concern, in its recent issue raised an interesting point . . . produced evidence to show that by usage only has Truman become the president of the United States . . . the Constitution provides only that the vice president, in the case of the death of the chief executive, shall take over the duties of the president but does not specify that he shall become actually the president . . . a lot of legal research has failed to establish definite basis for a vice president to actually become president, all law on the subject referring to taking over of the duties or "acting" as president—but "usage" rules.

Spring isn't scheduled to arrive until Thursday but we're very grateful for the fine preview enjoyed today. By the way, wonder what happened to the "scattered showers?"

The income tax worry is out of the way now. How about giving a little attention to that letter regarding your contribution to the Red Cross?

Remember when "I'm from Missouri" meant that a man was a skeptic, not a potential presidential appointee?

Shortages are making Warren citizens go without more things than ever before—men's suits being a shining example.

Pretty soon folks who plant by the calendar will be preparing to get in their sweet pea seeds.

Walking is considered good for the health but too often causes people to get run down.

LENTEN SERMONETTE

By CARLTON H. FOSS
Sugar Grove

"For my thoughts are not your thoughts, neither are your ways my ways, saith the Lord."—Isaiah 55:8.

Here the great prophet of the Exile points out the great fault of his time and ours. We do not think as God thinks. We do not work for the things He is working for. We can defend ourselves saying: "How can we think as God does when our minds are so limited compared to His?" But the fault still remains: We do not try to think as nearly like Him as we can. We act as if God was interested in only a few of the activities of our lives, as if He was satisfied if we are not downright immoral or irreligious, while keeping a few days sacred for His worship.

Is not our God the creator of all the world? Is He not the Father of all peoples in it? Then God must be interested in every activity which occurs on His earth. He must have plans for every people, each individual. With Him there is no distinction between sacred and secular, but all of life is intended to be divine.

Lent should be a period in which we do some thinking about our lives and our purposes in life. Our world will never be a better world until we are more God-like people. We will never be more God-like until we begin to think about things more nearly as God does. Fortunately, we can know how God thinks because we have the record in our Gospels of how His Son Jesus thought. May this season be one of deep searchings of heart and of mind.

The Return of the Prodigal Son

WASHINGTON DAYBOOK

by Jack Stinnett

WASHINGTON—The drive for a voluntary belt-tightening under the direction of former President Herbert Hoover, in order that famines in Europe and Asia might be averted, probably will still find the United States with the fullest market basket in history.

The "probable" is there because a bad growing season might cut into present estimates of 1946 crops. But if all turns out as the Department of Agriculture expects, we can voluntarily reduce our diets and still eat better than we have in any previous year.

Except for sugar, eggs and wheat, there will be more of virtually everything than there was in 1945 and—except for sugar alone—far more than in the 1935-39 pre-war years.

The sugar shortage, along with the shortages in fats and oils, is a world shortage that the United States can't do much about relieving.

THE President has promised 370,000,000 pounds of fats and vegetable oils to the stricken nations. This may cut a bit into civilian diets here, but that is only a little more than 5 percent of the 6.7 billion pounds forecast for this year. Butter, classed as a fat by the Department of Agriculture, probably won't be plentiful on the table this year.

The egg situation is far from anything to worry about. Civilians will have an average of 365 eggs apiece this year. While they consumed an average of 390 apiece last year, they only got away with 298 each in the 1935-39 period.

While it is estimated that there will be four pounds of flour less per person this year than last, it still will amount to 157 pounds, four more than . . . as consumed in the five-year base prewar period. It is estimated that there will be ten pounds more per person of fresh fruits than the 138 pounds of prewar days; nine pounds more of dairy products than the 801 pounds; 15 pounds more of processed fruits and vegetables than the 67 pounds of 1935-39.

THE meat situation will be much better than last year. The department estimated that there would be 150 pounds of red meats and 29 pounds of poultry meats available for every man, woman and child in the country this year. That compares with 132 pounds of the former and 29 of the latter last year and 126 and 21 pounds respectively in the base period.

Starting from this level, Hoover and his associates shouldn't have such a hard time convincing the nation that "our national self-respect and duties as human beings" (as President Truman put it) demand that we voluntarily sacrifice a little from our growing table. To relieve what appears to be the worst food crisis in the history of Europe and Asia.

Once the drive gets under way and the tragic condition of starving millions brought home to the American people, it's almost certain they will rise to the occasion. They always have—even when they have had far less than now.

"LONG DISTANCE" is looking up

Yes, things look bright for further improvements in Long Distance service.

During 1946 the Bell System plans to train thousands of additional operators; add millions of miles of Long Distance circuits; install many new switchboards.

Right now Long Distance calls are increasing faster than we are able to provide the needed facilities. The result is that occasionally your calls may be slow in getting through. But it won't be long before the big expansion job we're doing will take care of the rush on Long Distance lines.

Until it does, we'd appreciate your continued help in avoiding unnecessary calls when the lines are extra busy.

IOOF Grand Lodge Session Proves a Red Letter Event For Warren Three Linkers

The special session limited of the IOOF, Grand Lodge of Pennsylvania held last evening in Odd Fellows' Temple in Hickory street, proved a red letter day for Warren Lodge No. 339. Thirty past grands of lodges in the county were on hand to take the grand lodge degree, which followed a dinner in the dining room of the temple at six o'clock, attended by 100 Odd Fellows and Rebekahs. Grace was said by Grand Chaplain Roy Persons of Franklin. The menu consisted of baked ham, mashed potatoes, green peas, bread, rolls, olives, celery, apple pie, coffee, and was served in a very efficient manner by a committee consisting of Mrs. Charles Pepperman and Mrs. Harry Rogers, of Warren, and Mrs. Richard Enos, Russell.

The special grand lodge session took place in the lodge rooms at seven o'clock, with Grand Master Franklin B. Hoshbach, of Erie, in charge. Other grand lodge officers were: Acting Grand Warden, Max Munzel, Hawley; Grand Secretary, Frank Shannon, Philadelphia; Acting Grand Treasurer, Clarence Loney, Warren; Grand Marshal, Clarence Lauer, Oil City; Acting Grand Conductor, Clarence Agren, Warren; Grand Guardian, Richard Enos, Russell; Grand Herald, Edward Reed, Meadville; Grand Chaplain, Roy Persons, Franklin; Acting Deputy Grand Master, Boyd Sanden, Warren. Following the exemplification of the degree the new members were addressed by Past D. D. Gorge Johnson, of Lake Shore Lodge, Erie.

About 500 persons were present for the public meeting that followed at the court house at eight o'clock. H. D. Kinkead, chairman, introduced the Hon. Allison D. Wade, who welcomed the grand lodge officers to Warren county and also introduced Grand Master Hoshbach. The chairman then turned the meeting over to Entertain- ment Committee Chairman Boyd Sanden who acted as master of ceremonies for the following program:

Quartet, "Croon," "I'm Always Chasing Rainbows"—New Process Girls, Jane Munn, Frances Carlson, Gladys Jensen and Constance Dey, accompanied by Kathryn Randall.

Chairman Sanden then presented the grand master who in turn introduced all the grand lodge officers. Mrs. Franklin Hoshbach, wife of the grand master was included in the honored guests.

Clarinet trio, "Three Blind Mice"—W. H. S. musicians, John Knapp, William Blair, Donelyn Baird, accompanied by Harry Summers.

Cornet solo, "Oh, So Pure," and "I Dreamt I Dwelt in a Marble Hall"—John Knapp, accompanied by Harry Summers.

Vocal solo, "Open the Gates of the Temple"—Chester Sadler, Sheffield, accompanied by Mrs. Davidson.

Swedish readings—Carl Johnson, Girls' Chorus, "Grannimla," and "When Day is Done"—New Process Girls directed by Marie Cook and accompanied by Dorothy Springer.

At the conclusion of the entertainment the grand master gave the address of the evening, stressing the "Three C's"—Courtesy, a desire for knowledge; Courage—to get the knowledge; and Character—to build character as the cardinal principles of fraternal membership. In conclusion he stated that

if everyone practiced the principles of Odd Fellowship—friendship, love and truth—the world need never fear for the future.

Mr. Hoshbach urged that all lodges be represented at the grand lodge meeting to be held in June in Wilkes-Barre.

The meeting was brought to a close with all singing "Till We Meet Again."

Montgomery Ward's Fashion Center To Open On Thursday

Warren's newest most up-to-date Fashion Center opens at Montgomery Ward tomorrow. The spotlight for the opening will be centered on Easter Fashions, those suits, coats, prints and rayon dresses that well dressed women everywhere will wear.

"The work has been completed and our floor is ready" declared Mr. Bangs, store manager. "We have waited a long time to get the necessary material and new merchandise, but I am sure you'll agree that it was well worth the wait when you see the modern setting, new carpeting, 'daylight' lighting and, best of all, the bigger and better-than-ever selection of women's fashions."

Mr. Bangs went on to explain that Words is able to bring the latest styles to Warren because of the experienced staff of style experts in New York who design and tailor all of Words fashions. He urged Warren shoppers to attend the opening of this, Warren's new Fashion Center tomorrow at Words.

Mr. and Mrs. Francis Dowd and son Bobby have returned from spending some time in Sebring, Florida.

Mr. and Mrs. Berger Ecklund and family of Russellton, Pa., were weekend guests of Mr. and Mrs. Ralph Abbott.

Mr. and Mrs. Stuart L. Anderson have purchased the home of William Broughton on Main street and will take possession in a few weeks. Mrs. Anderson returned Saturday from Pittsburgh where she has been employed.

"UNBLOCK" your DIGESTIVE TRACT

And Stop Dosing Your Stomach With Soda and Alkalizers

Don't expect to get real relief from headache, sour stomach, gas and bad breath by taking soda and other alkalizers if the true cause of your trouble is constipation.

In this case, your real trouble is not in the stomach at all. But in the intestinal tract where 80% of your food is digested. And when it gets blocked it fails to digest properly.

What you want for real relief is not soda or an alkalizer—but something to "unblock" your intestinal tract. Something to clean it out effectively—help Nature get back on her feet. Get Carter's Pills right now. Take them as directed. They gently and effectively "unblock" your digestive tract. This permits your food to move along normally. Nature's own digestive juices can then reach it. You get genuine relief that makes you feel really good again. Get Carter's Pills at any drugstore. 25¢. "Unblock" your intestinal tract for real relief from indigestion.

Notes and Fashions

JEAN MacLAREN is sure smiling wide these days cause BILL CLINGER is back in town... it's funny how often ALICE ALEXANDER and DON VALENTINE are seen together... and, surprise of surprises, Warren's tall center looks down fondly at IRMA HANSON... at a dinner party last Saturday the basketball squad celebrated another victory... DICK HARRIS played host to HANSON, MacLAREN, SPECHTMAN, KAMMER and DYKE of the fairer sex, while squiring them were BABCOCK, EATON, REED, PATTERSON and HARRIS... they sure had lots of food and fun... Jamestown Rec's floor show is to entertain Warrenites at the Community Party this coming Saturday night at Beatty. Right neighborly of them... oh, yes, there will be dancing and refreshments... Warren is having lots of company these days. Bradford is returning the visit our High School Band made last week to feature a combined band concert... the advance dope is that there's plenty of humor and good music on the program on Friday night... RUTHIE SCHELLHAMMER is coming home from Stuart Hall Friday. Watch the town perk up... NESTOR BARTHOLOMEW seems to sharpen his pencil more often than necessary in Physics class... while AILENE LORD is now skating at Sheffield. The Youngville rink doesn't have the appeal it once had... Junior Wolves, DICK MUNCH and PAUL MASSA, are northbound every Tuesday, Thursday and Saturday Saturday night... it's lots of steady company we've been seeing... BILL HESCH and JUNE GREY are inseparable... and RACHEL SMITH and JOHNNY ROBERTSON are kinda sweet on each other... with JUNE ELLWINGER and FRED WEIGEL holding hands occasionally... and "BARB" WERT and CHUCK CLAWSON are wearing out a seat in "Cozy"... JO-ANNE LINDGREN is waiting patiently for the Navy to release MINOR SWANSON... our question and no answer department asks three this week... Why is PHYLLIS COLVIN trekking down Youngville way?... wonder whose bracelet one of the Warren forward's wearing around his ankle for a good luck charm?... and just wondering how long it will take PAT MCNERNEY to write her book?... via grapevine, hear that "BUNNY" BERDINE is out west visiting Cleveland and having a good time... and you'll have a good time if you stop in the Betty Lee for a gander at all the pretty new Easter clothes... there's a frilly navy dress that Mary Muffet designed just specially for an occasion like the Easter dance. You'll love to have it... MR. and MRS. CHARLES PIRILLO sure are happy with a brand new daughter-in-law all the way from Ireland... they had a surprise birthday and welcome - to - Warren party last night to welcome their daughter of Killarney... just everyone was there and a good time was had by all... and PAT celebrated her first birthday in the United States... Another Irish birthday, MRS. MARGARET BRADLEY, 203 Lexington Ave., celebrated her first surprise birthday party at her home last night... 'course she was only 86... but never had had a surprise party before... 'til a few friends dropped in with presents and a lovely cake... Happy Birthday... may you have many more... And the touch of spring's at the Betty Lee windows with gorgeous yellow dogwood sprays setting off the new spring clothes.

World-wide Observance

Business girls of the local Young Women's Christian Association are holding on Thursday their "World-wide Observance", an event sponsored annually by the National Council of the Business and Professional Women's Assembly. This year's date throughout the United States and in many other countries, is Tuesday, March 26. However, the Ali-We-Je Club's regular meeting is scheduled for this Thursday and the Y-Deb members will join them for the season. Theme for the observance this year is "World-My Privilege and My Responsibility." Attorney Sidney D. Blackman will be the guest speaker for the evening and will help to carry out the theme with an address on "Our Responsibility as American Citizens."

A service of worship, planned around the hymn "These Things Shall Be", will be presented by All-We-Je members and a Y-Deb member will tell of the origin and history leading up to this 19th annual observance. Miss Mary Church, general secretary of the YWCA, will bring to the group the program adopted by the Business and Professional Women's Assembly at its convention meeting held March 7. The dinner-dance is open to all business women of the community who wish to attend and reservations for the six o'clock dinner may be made by calling the YW office, 450.

Margaret Gleese Named Worthy Matron Of Local Chapter of the Eastern Star

In the annual ceremonial held last evening in Masonic Temple, Margaret Gleese was installed as worthy matron of Warren Chapter, Order of Eastern Star, Hazel D. Chessnut, past matron, acted as installing officer.

More than 200 persons attended the dinner and meeting, the many guests including Katherine Y. Tunstall, of Franklin, who is district deputy grand matron. Others came from Richmond, Ky.; Jamestown, N. Y.; Corry, Franklin, Marienville, Sharon, Grove City and other points.

"Music" was the banquet theme, since it is the special hobby of the new matron. Tables were beautifully decorated in the Eastern Star colors and white flowers. At the principal table, a musical staff was arranged with flowers as an added touch.

Viola McLaughlin, past matron, was in the toastmaster's chair and Josephine Laskaris gave the invocation. Dinner music was provided by a trio composed of Helen Olson, Ruth Morrison and Dorothy Engstrom. Five members as "Musical Notes", Kathryn Joy, Dorothy Nelson, Beulah Krebs (PM), Elizabeth Templeton, and Genevieve Wood, presented corsages to the guests of honor.

Dinner arrangements were in charge of Marie Leuthold and Cynthia VerMilley, with Mabel who were hundreds of members assisting with the serving. Serving as dining room committee were Maude Tritt and Hazel Norris, co-chairmen; Margaret Carlson, Annabelle Duff, and Ruth Fobes.

Miss McVicker

Mr. Edmiston

Announced in these columns just recently was the engagement of Myrah Mae McVicker, of Johnstown, and Prof. Leon R. Edmiston, of DuBois, the latter well known in this section. Evangelistic work in which the bride-elect is engaged will keep her in the Tampa-Jacksonville, Fla. area until April 15, so no wedding date has been set. Her work is for the Evangelical denomination under authority of the Johnstown District. Her training and experience in the line of church music has made her an outstanding song evangelist, popular as both vocal and instrumental soloist. She will be a valuable addition to the musical life in DuBois, where she will make her home after marriage.

Mr. Edmiston was, at one time, a teaching principal in the Corydon Township High School, assistant principal of Clarendon Borough High School, and for a period of one year, taught business English, elementary bookkeeping and commercial law in the Hoff Business College. Since December, 1928, he has taught all shorthand, typewriting and salesmanship theory classes in DuBois Senior High School, occasionally teaching sophomore English classes when there are overflow classes in that department. He has been popular as a marimba player in revival campaigns of all denominations in DuBois. He will continue his present duties and there is little doubt that he and his wife will be kept busy with their special interest, which is Christian youth work.

India's Problems Presented Before Blue Stockings

Blue Stocking Club members were entertained Tuesday afternoon at the home of Miss Mabel Abbott, Mrs. A. C. Flick assisting the hostess. The president, Mrs. Robert Winger, presided, conducting a brief business session and reading several items of interest from the Pennsylvania Clubwoman Magazine.

For the program, Mrs. W. E. Lutz gave an excellent paper on "Mehru, the Voice of India". The subject was presented as of three problems: 1. The English in India. 2. The Indians in India, and 3. The United Nations Organization in India. Mrs. Lutz showed that conditions in India are also a part of a world problem, and issues have arisen which make a final settlement necessary. In concluding, a brief biographical sketch of Mehru, India's man of the hour, was given.

The hostesses served tea at the conclusion of the program, Miss Mabel Siggins and Mrs. Ralph Sires presiding at a table attractively done with spring flowers and tapers.

The next meeting, April 2, will be held at the home of Mrs. Burr Walker, with Mrs. George Calderwood assisting and Mrs. H. H. Barr in charge of the program.

The police are continuing their drive on motorists who violate the city ordinance and tickets are being passed out in quantities. The effect of the drive, however, is beginning to show in more careful driving about the town.

RUMOR UNFOUNDED

The U. S. Naval Recruiting Service has asked the Times-Mirror to publish the following concerning enlistments: New budget restrictions for the U. S. Navy in the coming year have caused a reduction in the contemplated strength of the post-war Navy. This story has been well circulated by the press and radio, and has evidently caused a rumor that is apparently unfounded. This rumor is to the effect that Navy enlistments will soon be stopped. Commander John A. Reynolds, in charge of recruiting for western New York, states that while the regular Navy, not including the Naval Reserve, is now over 400,000, no information has been received regarding the end of Navy enlistments.

Erie Man Aids People Suffering From Foot Trouble

It is said by some that miracles are being performed these days by Roy F. McClenathan, Moorheadville, Rt. 20, North East, Pa., for those suffering from foot ills.

Mr. McClenathan developed a process in 1934 for making Casts which are placed in regular shoes to enable the sufferer to walk straight and normal.

Since 1934 Mr. McClenathan has made Casts for many persons from all sections of the country—from a baby 14 months old, born with club feet, to an 80-year-old doctor, a victim of a stroke, who was able to walk again for five years until his death.

Word of the work Mr. McClenathan has been doing has gradually spread over the nation, bringing people to his new location, where he has developed a modern and fully equipped establishment for the care of the feet by correctly fitted shoes and Casts. Doctors and nurses recommend this care to patients and friends.

Mr. McClenathan straightens feet and makes them normal, with a benefit to people with warts, flat feet, club feet, brogue feet, crooked feet, spur heels, lousies, varicose veins, nerve breakdown, rheumatism, arthritis, infantile paralysis, diabetes, weakness from birth, foot numbness.

Special ROMAC supporting cast designed for injured feet, and or legs during the period of convalescence, prevent breaking down of the foot structure and help materially in strengthening muscles.

"ROMAC CASTS" make a regular shoe correct last fitted like tailor-made shoes—keeping the foot straight and normal at all times. Mr. McClenathan is now making appointments and individual analyses. There is no charge examinations.

How would you CHART YOUR COURSE?

Pictured here are the records of four "life lines" of our business—four things which largely control the destiny of any business, whether it be a farm, a factory or a store. They are Wages, Materials Costs, Prices, and Profits. Suppose these were pictures of what is going on in your own affairs. How would you chart your future course from these facts?

With the proposed increase, wage rates will have risen from \$0.85 1/2 per hour in 1941 to \$1.33 1/2 in 1946—a gain of 56.1%. Weekly average would be \$53.40.

By the end of 1945, prices on all commodities other than farm products and food had gone up 19.2% since 1941. Chart does not show effect of 1946 increases.

Profit per dollar of sale has declined until in 1945 it was slightly less than four cents, as against 8.4 cents in 1941.

Ex - Patient At North Warren Took Own Life

Brockway, Pa., March 20—Two tragic deaths were recorded here within a few hours when Alonzo Lockwood, 42, was found with his neck wedged in the forks of a tall tree three days after he had disappeared, and Leroy Sam Keller, 55, a barber, blew part of his head away with a blast from a shotgun. Coroner Fred W. Beyer, of Punxsutawney, said both were suicides.

Lockwood's body was found by two brothers, William and Irvin Lockwood, near his home a mile southeast of this town. The victim, a former inmate of Warren State Hospital, apparently crawled almost to the top of a 30-foot maple tree, wedged his neck in a "Y" and allowed his body to drop. The coroner said death was due to strangulation.

Keller sat down under a tree 50 feet from his home, placed the muzzle of a shotgun under his chin and pulled the trigger. He was dead when his wife and Fred Archibald, a friend, reached his side. He left a farewell note for his wife.

Noted Woman Author Will Lecture Here

"America Faces East" will be the subject of the third in the current series of Talk-of-the-Month Club lectures to be given next Monday night, March 25, by Dr. Weihsy Honsinger Fisher, noted woman author, lecturer and recognized authority on Far Eastern affairs.

The lecture-forum meeting will be held, as were the first two sessions of the Club, in the Founders Hall of the First Methodist Church, beginning promptly at 8:30 o'clock. The Young Women's Christian Association, one of the four sponsoring organizations, will be in charge of this meeting. The other three sponsors are the Men's Bible Class of the host church, the College Women's Club and the Y. M. C. A.

Mrs. Fisher, who lived ten years in China and speaks fluent Chinese, counts among her many friends there Madame Chiang Kai Shek and Madame Sun Yat Sen. She also lived many years in India and has written three books on the peoples of both Oriental countries. Her latest book, "Fredrick Bohn Fisher—World Citizen", is an absorbing story of the life of her husband who was Bishop of India.

All holders of membership tickets in the Talk of the Month Club will want to hear this, one of the most able women speakers in America. She has a fine presence and is most gracious in manner, and what is more important she makes a real contribution to the thinking of her hearers.

No one-night tickets are sold for these lectures, attendance being restricted to holders of full-membership cards. Any further information desired can be secured by calling the Secretary-Treasurer, Ralph H. Wagner, at the Y. M. C. A. office.

War is Never Over for the RED CROSS

They need your Red Cross today—and for many tomorrows!

THEY lie in hospitals, thousands of America's finest, sick, blinded, cruelly maimed in the fight for our freedom. Who is to write their letters, hear their troubles, answer when they call for "Mom"? Mom can't be there. But your Red Cross can, and must be there.

Many thousands more young Americans are still overseas. They, too, count on the Red Cross for comfort and cheer in the long, weary months of waiting to come home to you.

And whenever, wherever disaster strikes here in America—fire, flood, tornado, famine

—your Red Cross must be ready with aid for the victims. It must feed and shelter those left hungry and homeless, and when the first shock of emergency is over, take up the long, arduous work of rehabilitation.

Yes, there's a big job still to be done. Is it too big? Not for the Red Cross. Not for you—because you are the Red Cross.

Give generously. Give now! Give a little more than you think you can afford. Remember this is your chance to say, "Thanks! Thanks, Soldier, for all you've done!"

YOUR Red Cross MUST CARRY ON ... GIVE!

Allegheny In 44-41 Victory Over Wolves

Punkatunney, March 19—(Special)—Allegheny High of Pittsburgh nosed out the Kane Wolves, District 9 contenders, here last night when they staged a fourth quarter scoring spree that netted them 17 points to only 6 for the opposing Wolves and gave them a 44-41 decision.

In the first three quarters, the game appeared a walk-away for the Kane quint, but with little guard Jimmy Zarybnicky leading the way the District 8 champions overcame a eight-point third quarter deficit and ran away in the final four minutes to a victory.

With Thompson and Erickson setting the pace for Kane, the Wolves ended the opening stanza with a 14-3 lead. In the second, however, the Alleghenians retaliated to leave the court at half-time with a 20-18 edge.

Kane pulled through in the third with a 17-point spree to give it a 35-27 lead going into the final eight minutes. The Kane defense faltered in the final and Allegheny had little trouble in coping the verdict.

Allegheny now meets the powerful Warren Dragons, District 10 champions, on Friday night. The site of the game has not been determined, but it is likely that the PIAA quarter-final will be moved to Farrell, according to an Associated Press dispatch.

Friday's winner will meet on Monday at Pittsburgh, the winner of the Altoona-Homestead for the western finalist. Lineups:

ERIE TEAMS BUSY ON A. B. C. RUNWAYS

Buffalo, N. Y., March 20—(P)—Booster squads from Buffalo, other communities in western New York and Erie, Pa., were scheduled to do most of the pin-crashing today as the 43rd annual American Bowling Congress championship tournament entered its seventh day.

Two of three shifts tonight will be devoted entirely to Erie, Pa., five-man groups.

Yesterday's action, also restricted to booster groups, resulted in only one change in the tourney standings when Mette Standish of Border, Tex., pushed over 662 maples for a fifth-place singles.

North Warren Quintet Cops Two Victories

In independent games played last night at the North Warren Community House, the North Warren quint, composed of high school boys, recorded a double triumph, the first a 51-42 win over the Warren East Side and the second a 36-28 victory over Hooktown.

In the first game, Jack Redde-cliffe was the mainstay for the winners, packing in 16 points. Fred Weigle, of the losers, took individual honors with 24.

In the second, Huck and Redde-cliffe totaled 24 points between them to lead in the win against high-flying Hooktown. Berdine paced the second-game losers with 10.

BROTHERS MEET

Mrs. John H. Cable, of Akeley, has received a telegram from her sons, Clifford and Paul, stating they had met for the first time in 20 months in San Diego, Calif.

Clifford, 2/c, has been at Okinawa for 15 months, serving as torpedoman on the USS Hamill. Paul, RDM 2/c has been in Manila and other Philippine points for 16 months, serving as radarman. He has returned to his boat, the USS Day (DE-235) after a 30-day leave at home. Both boys expect to be discharged about May 1.

IS AT LEGHORN

According to a special dispatch received from Leghorn, Italy, Pvt. Donald E. McIntyre, son of Mr. and Mrs. Donald McIntyre, has arrived safely at Naples and has been assigned to the 3271st Ordnance Base Depot Company, unit of the Peninsular Base Section of the Armed Service Force in Italy.

Pvt. McIntyre was a farmer before entering the army on June 28, 1945, and trained at Camp Croft, S. C., before going overseas.

Kenneth Bradway, U. S. N., of Youngsville, spent a weekend leave with his aunt and uncle in Washington, D. C. His cousin, Anita Pierson, has been visiting them for the past month.

EXPECTED SOON

Mr. and Mrs. Joseph DeMarco, 814 Washington, expect to arrive after anxiously waiting for two months for word from their son, EM 2/c Dominick A. DeMarco, received a telegram Sunday stating that he was leaving Honolulu and would arrive in two weeks. Upon learning that his mother was ill, he telegraphed her a dozen roses, which were received March 18.

United States Expected To Back Appeal

(From Page One)

2. That Russia "is continuing to interfere in the internal affairs of Iran through the medium of Soviet agents, officials and armed forces."

Meanwhile it appeared that in the face of these charges Russia is continuing to send reinforcements into Iran for objectives still described here as obscure.

The latest reports reaching the United States government said the troops were moving in the general direction of the frontier junction of Iran, Turkey and Iraq. This is a section inhabited by Kurdish tribes which Russia is believed to be backing in a move to re-create an independent Kurdistan.

Iran charged that the presence of the Russian troops and the alleged interference in Iran's internal affairs violates not only the 1942 pact but also the United Nations charter and the 1943 big three declaration of Tehran signed by President Roosevelt, Prime Minister Churchill and Premier Stalin.

American officials privately expressed agreement that the case may present virtually a life-and-death test of the security council's power and prestige. At the same time, they noted that the only ultimate solution possible is one which depends on Russia's good will in abiding by whatever decision the council might hand down.

BY JOSEPH C. GOODWIN

Tehran, Mar. 20.—(P)—An Iranian general staff officer said today three Iranian garrisons near the Iraq border were fighting off attacking Kurdish tribesmen and that aerial support has been dispatched to prevent them from being cut off from their divisional headquarters.

The officers told reporters that the garrisons of Sardasht and Baneh in Kurdistan and Saqqiz, on the Azerbaijan-Kurdistan border, "have been under attack for a week, but are holding out."

He said tribesmen from both Iraq and Iran were involved in the action and that his agents had reported "strangers who speak a Turkic dialect similar to that heard in northern Azerbaijan" were observed among the tribesmen.

He estimated the attackers numbered 3,000.

By GEORGE PALMER

Baghdad, March 19.—(Delayed)—(P)—A former Iraqi diplomat just returned from Tehran declared today that a "war of nerves" is being waged in the Iranian capital, with Russian troops contributing to the general state of jittery "making a lot of noise outside the city gates moving artillery around."

Declaring that the Leftist Tudeh Party could stage a coup d'etat at any time, this informant said:

"The great fear in Iran today is that if the Iranians officially announce that they will take the matter to the UNO, then the Communists probably will be given the word to strike."

New Officers Are Elected By Elk Lodge

Ronald B. Frederick, Dartmouth street, was elected exalted ruler of Warren Lodge No. 223, B. P. O. Elks at the semi-monthly meeting held last evening with a large crowd in attendance. He will succeed C. T. Bendine in that station when District Deputy D. Minnich, of St. Marys, installs the new officers the 1st meeting of next month, April 24. Other new officers of the lodge are:

Leading Knight—J. M. Culbertson.

Loyal Knight—Fred Lenker.

Lecturing Knight—Ruel Smith.

Treasurer—Claude Schindler.

Secretary—R. L. Ruhman, re-elected.

Tiler—Harry Christensen.

At the installation meeting the incoming exalted ruler will announce appointments for esquire, chaplain, organist and inner guard.

Following the meeting refreshments were served and a social time enjoyed.

Announcement was made that members will meet this evening at seven thirty o'clock to go to the Templeton Funeral Home to pay respects to the late Henry C. Brunk.

Two New Road Jobs Named For the County

County Highway Superintendent Warren Love has received authorization from Sec. of Highways John U. Shroyer for the construction of two new roads in this county. To one that will be built first is near Scandia where three miles of farm to market road will be built. Starting at the end of the present black-top, the new construction will carry almost to the top of the hill which goes down to the river. It will have 12 inches of gravel and will be graded and drained.

Another road job scheduled will complete the improvement of the highway from the end of the black top at Venturatown leading up toward Yankee Bush. One mile will be of stone base and black top road and from the end of that a gravel road will be laid to the intersection of the road from Star Brick.

Sound Movie To Be Shown YMCA Boys

Second in a series of six such programs, the Y. M. C. A. Boys Bible Story Hour will be conducted again tomorrow afternoon at 4 o'clock in the "Y" building, the story for this week being "The Prodigal Son".

A most interesting sound motion picture film titled "The Prodigal Son" will be shown, in addition to the period of song and special music. General Secretary Ralph Wagner, in charge of the meetings, will be assisted by William Blair, David Leidig and Richard Kerr. Blair and Leidig organized two teams of boys last week, and the attendance tomorrow will reveal how well the teams have succeeded in lining up their boy friends.

Boys who were unable to attend the opening session last week are urged to get started tomorrow. Boys who were present last week are not likely to absent themselves for this second meeting because they found the first session both interesting and enjoyable.

THAT 'ONLY CHANCE' DEFEATS S. N. T.

By WILLIAM E. MCKENNEY America's Card Authority

At the recent tournament in Memphis, Tenn., Mrs. Cornelia Ellis acted as chairman of the entertainment committee and did a splendid job, as she did in defense of today's hand. This hand came up in a rubber game that started in the wee hours of the morning after the tournament was over.

As clubs had been bid by East, Mrs. Ellis did not open that suit, but led the ten of spades. Declarer won with the queen, then took the heart finesse, which North won.

A spade was returned, declarer

won, and in order to establish nine tricks, he had to knock out the club ace. When Mrs. Ellis won this, she could count three spade tricks for the declarer, three heart tricks and at least three club tricks—enough for game.

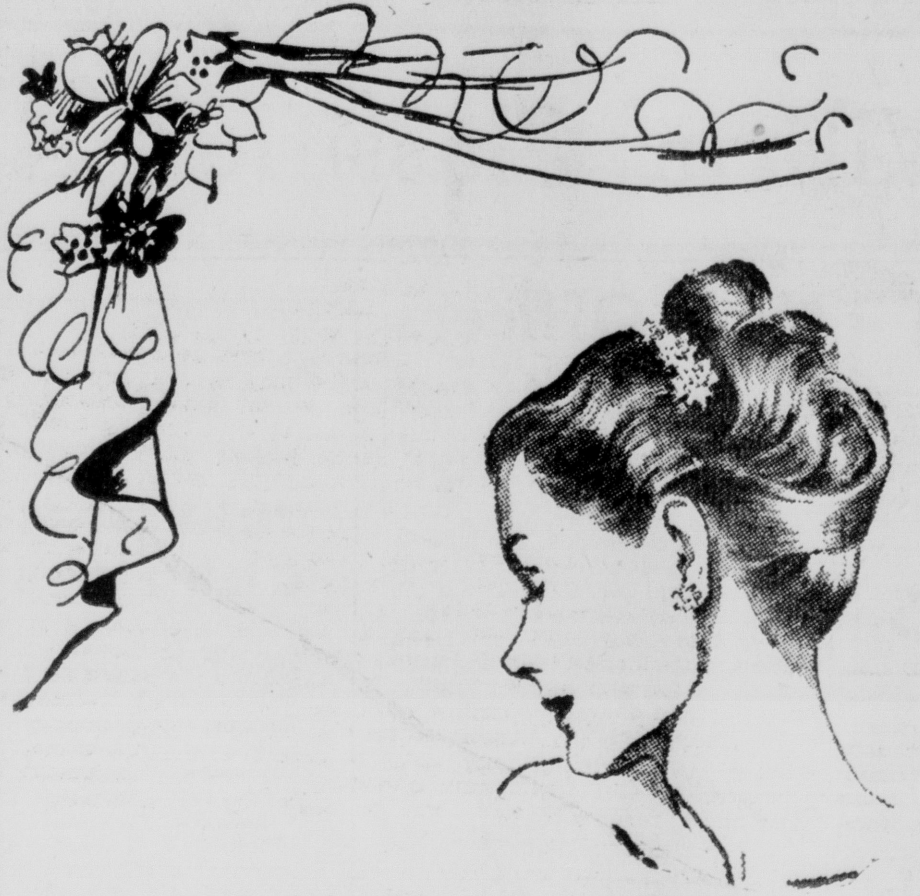

Her only chance to defeat the contract was to find her partner with the ace and jack of diamonds, she laid down the diamond king, and upon holding the trick, continued the diamond.

Thus she set the contract. North could have made it easier for Mrs. Ellis by shifting to the diamond when he was in with the queen of hearts.
